Correction to: The Cedar Project: Using Indigenous-specific determinants of health to predict substance use among young pregnant-involved Indigenous women in Canada

Sana Z. Shahram^{1,8*}, Joan L. Bottorff^{2,3}, Nelly D. Oelke⁴, Leanne Dahlgren⁵, Victoria Thomas⁶, Patricia M. Spittal⁷ and For the Cedar Project Partnership

Correction

After publication of the original article [1] it was noted that the title of this manuscript was incorrect. The title presently reads “The cedar project: using indigenous-specific determinants of health to predict substance use among young pregnant-involved aboriginal women” but should read “The Cedar Project: Using Indigenous-specific determinants of health to predict substance use among young pregnant-involved Indigenous women in Canada”.

The original manuscript was also updated.

Author details

¹Faculty of Health and Social Development, University of British Columbia, Kelowna, Canada. ²Institute for Healthy Living and Chronic Disease Prevention, and School of Nursing, Faculty of Health and Social Development, University of British Columbia, Kelowna, Canada. ³Faculty of Health Sciences, Australian Catholic University, Melbourne, Australia. ⁴School of Nursing, Faculty of Health and Social Development, University of British Columbia, Kelowna, Canada. ⁵Department of Obstetrics & Gynaecology, Faculty of Medicine, University of British Columbia, Vancouver, Canada. ⁶Wuikinuxv Nation, The Cedar Project, Vancouver, Canada. ⁷School of Population and Public Health, University of British Columbia, Vancouver, Canada. ⁸Present Address: Postdoctoral Research Fellow, Centre for Addictions Research of British Columbia, University of Victoria, Victoria, Canada.
